BEST OF TIMES EXCLUSIVE!!!

Featuring: Two of New Englands Premier Oldies Bands

REMINISCE & STRAIGHT LACE

REMINISCE is an oldies group specializing in songs primarily from the

50's and early 60's. They have evolved from a 5-man vocal group to its current size of 8 talented musicians by combining the unique quality and love of acappella singing with the perfect match of instrumentation resulting in the showmanship and charisma of a live oldies band. Reminisce prides itself on achieving the original recording sound when performing any song. One of the groups greatest accomplishments was its surprise performance on the ROYAL Doo-Wop Groups show at Radio City Music Hall in New York City. To date REMINISCE has performed with many of the great 50's & 60's groups such as: The "Platters", The "Drifters", "Larry Chance & The Earls", "Peter Noone", "Frankie Valli and the Four Season's", "The Temptations", and many, many, more.

Imagine a band with over 40 years of experience, a song list that

includes 100 Top Ten selections, a high energy show that swings, waltzes, and twists its way into your hearts and memories, excellent harmonies with expert musicianship...and suddenly you have STRAIGHT LACE! - One of New England's Premier Bands. Hailing from Maine, this group has performed for many different occasions from intimate gatherings to extraordinary events. Straight LACE has performed on numerous occasions with Herb Reed and the Platters, The Drifters, and in the presence of President and Mrs. George H.W. Bush. They have entertained throughout New England providing high energy, foot stomping, interactive performances that have audiences clamoring for more.

With Best of Times and NCL's Freestyle Cruising you can be as carefree as you want to be in the sunniest of places. There are an indiscriminate number of beachfront palm trees, ideal for relaxing and taking in the wonderful Caribbean air. Tons of music, dancing, touring, and fun...the perfect vacation. And with NCL's Winter Weather Guarantee there is NO Risk to Travel in February!
